Shropshire ASA County Championships 2026 Programme

WE NEED YOU!

All Clubs and Counties need Technical Officials to run and attend any gala.

It needs a vast army of Volunteers to become qualified. Naturally there are gains and losses as swimmers come and go but since Covid the number of Officials has dropped so much that all galas struggle to meet minimum requirements.

Events are at risk of not being able to go ahead and Clubs are at risk of not being allowed entry without sending officials.

We are asking all of our swimming family to consider volunteering to help your Club and County and join us to provide high quality competition for your swimmers.

You don't need to know anything about swimming, you will learn this along the way.

There is no need to commit to every event and the more Officials each club has the more the onus is shared around.

It's also not as difficult or as stressful as you imagine, there's plenty of experience around to support you on this journey.

The bonuses are that the club will pay course fees, you get free entry into galas, you will be provided with refreshments, travel expenses and sometimes a gift for giving up your time.

We always make sure you get chance to see your own child swim.

Please go to this link to sign up now, <https://www.swimming.org/ios/course/3143>

Let your club know you are doing it and email Stu Highfield on shropshireasa@aol.com, our County Coordinator so that he can monitor the support you need.

We also need an army of **EVENT TEAM VOLUNTEERS** to make any event run smoothly. No experience or qualification is necessary - just a willingness to get stuck in. It's a great opportunity to help your club support and attend events but without these volunteers these events are at risk.

If you would like to join our 'Blue' Team, please talk to Leanne Wells our Volunteer Coordinator, leannewells@hotmail.co.uk for more information of roles and duties. You would never be thrown in the deep end on your own as you will get plenty of support. You will meet other volunteers and officials from across all clubs which is great for you, your swimmer and your club.

Shropshire ASA County Championships 2026 Programme

Welcome from the Swim England Shropshire President

Welcome to the 2026 Shropshire County Championships, congratulations to all who have qualified for this years event.

I have now finished my first full year as Shropshire President and have had the pleasure of seeing many Shropshire swimmers both train and compete. Congratulations to everyone for a successful 2025.

During this year I have had the opportunity to watch Shropshire swimmers continue to develop and improve and enjoy competing at school, county, regional and national events as well as the combined regional open water event, Masters events.

It has been nice to see clubs and officials from throughout the county support each other in club championships and time trials again this year.

We welcome our 11th club back into the County this year, with the successful re-opening of the pool at Whitchurch. This is the first year for a while we have had Whitchurch swimmers back at Counties – welcome Back.

As in previous years we have seen our 12-year-olds take part in the Shropshire Development Programme. Thomas Telford School were again supportive of the National Programme and provided their facilities for the two days in 2025. Swimmers had the opportunity to have training in the pool, land training, nutrition talks and access to coaches from across the county. They were joined this year by the intercounty team who were able to have a training session together before the intercounty championships in October.

This year, Madeleine Gemmill was awarded the West Midlands Young Volunteer of year award, congratulations. Throughout this year we have seen several new initiatives set up within West Midlands swimming. We are very lucky to have a few people selected to part of the programmes. Nicola Bainbridge is one of the coach Mentors and has a number of mentees across Shropshire, and Ellie Boyes, Faith Dunn and Madeleine Gemmill were selected to on West Midlands Youth Ambassadors Programme. Please reach out to any of them if you wish to know more information

This year Shropshire volunteers have continued to support both County and Regional events, it has been a pleasure working alongside Shropshire coaches, team managers, volunteers and officials who give up large amounts of time to support our swimmers. Thank you to them all

We are always looking for new officials and volunteers to join the Shropshire team please consider giving up some time to support your swimmers, you will receive some incredible support along your journey.

I am looking forward to watching the swimmers over the next three weekends and seeing where the swimming season takes them this year.

Shropshire Chairperson's Report

We started 2025 with the County Age Group Championships in January/February at Wolverhampton. This was a great start to the new year, it was a very busy 5 days with many PB's, and regionals QT's achieved. A standout moment was recognising Dave Clarke's remarkable achievement having attended 50 consecutive county championships – firstly as a swimmer then as a coach. Our thanks to the Event Team, Volunteers and Officials for giving up their time to make this event run smoothly. We cannot do this without all their support.

Unfortunately, entries were low again for the Shropshire Summer Meet in July – we are looking into introducing Masters swimmers into this meet for 2026.

The Shropshire Intercounty team had a training session during in Sept before heading off the Sheffield for the National Inter-Counties competition in October, led by our two Captains Connor & Lexi – amazing team spirit was on display by all.

The Shropshire Development Programme was well attended gathering 34 swimmers together in March for their second day at Thomas Telford School, covering pool & dryside drills with talks around nutrition too. The first day of the next group happened in September with 35 swimmers in attendance.

Great to see that every Shropshire club had swimmers qualifying for the WM Summer Regionals and a good turnout at the Winter Championships too, where Oswestry Otter swimmer Akaash broke the S8 British in 50m Backstroke. Several clubs took swimmers down to the London Aquatic centre for the Next Gen Championship in July & the Summer Championships in August, fantastic experience for all involved. Well done to the group of Shropshire swimmers selected for the Regional Development Programme, Regional Distance Development Programme (RDDP) and Swim England's National Youth Development Programme.

Schools:

The was a strong turn out of Shropshire primary & secondary school competing both in the ESSA individual and relay galas. The Primary Schools Gala was held at The Quarry in June, and T&W successfully retained the trophy.

Masters:

Shropshire was well represented at the West Midlands Masters in March, the Swim England Masters championship in October and a great afternoon of swimming was had in Derby at the Inter County Masters. Open Water Several swimmers and officials attended the Regional Open Water Championships in June with swimmers qualifying for the SE National Open Water Age Group Championships July.

Water polo:

Although Shropshire has a wide age spectrum of players with healthy membership numbers, we can only enter a team in the Senior Men's Midland League. Many players play for other Midlands Teams to gain match practice. Shropshire is represented at the highest level with former player Cayden D having made the full senior GB men's squad and current member Isabella I playing in the U18 GB team. We also have members playing National and Conference League and National Age Group Competitions.

It has been a busy year with regards to infrastructure in Shropshire. Facilities continue to be developed and improved. The new Whitchurch pool opened in March and after an approx. 10 months closure Wellington Pool re-opened after refurbishment in the Summer. Positive progress continues with the planned pool in Shrewsbury at Sundorne. There is a Council meeting at the end of February for the final decision on whether to proceed, everyone has their fingers & toes crossed. The new Dawley Pool at The Telford Langley School is still looking like it will be built, no further information at this time. MDSP was briefly closed after repairs were carried out. But unfortunately, it is not all good news as despite Much Wenlock centre seeing nearly 73,000 in

Shropshire ASA County Championships 2026 Programme

a year it has had its annual subsidy withdrawn. The future now rests with the 3-18 Education Trust, who are exploring options as the site requires significant capital investment & are looking for an external provider to run the facility commercially.

Highlights for the year were British Swimming & Para Championships in April we saw ex-Ludlow swimmer Ollie Morgan breaking his own British Record in the 100m Back. Ex Ellesmere swimmer Hector Pardoe won the 2025 BBC Green Sport Award for Athlete of the Year

Congratulations to Madeleine Gemmill, Faith Dunn & Ellie Boyes for being selected on to the West Midlands Youth Ambassador Program. Also, a further congratulation to Madeleine on winning the Regional Young Volunteer of the Year Award. Welcoming back Whitchurch Swimming Club.

I would like to take this opportunity to thank everyone involved in Shropshire ASA. To everyone working hard behind the scenes to ensure opportunities and access to all forms of swimming for all people. We have a fantastic team working with great enthusiasm & as Chair I would like to thank each and every one of you.

Development Camp 2025 -2026

The Shropshire County Development Programme 2025/26 welcomed a squad of 36 swimmers born in 2013, selected primarily based on their 200m Individual Medley times, with a smaller number chosen from their 100m Individual Medley performances. This represents a significantly higher proportion of selections based on 200m IM results compared with 2024/25—an encouraging sign of swimmers' growing ability and endurance across all four strokes.

As well as being a fantastic opportunity for developing swimmers, the county recognises the programme as an excellent platform for coaching development. The initiative is led by Nicola Bainbridge (Oswestry), who is both a Head Coach within the county, a Swim England Tutor on the Coaching Pathway, and a West Midlands Regional Coaching Mentor. Nicola's leadership brings valuable expertise in mentoring and coach education, ensuring the programme not only enhances swimmer performance but also builds coaching capacity across Shropshire.

Expressions of interest were invited for the Developing Skills Coach roles, resulting in a strong and enthusiastic response.

Coaching Team

- Lead Coach: Nicola Bainbridge (Oswestry)
- Skills Coaches: Carter Lockley (Oswestry), Abi Turner (Telford), Caitlin Gemmill (Wellington), Callum Thompson (Northgate), Susan Highfield (Market Drayton), Dan Booth (Shrewsbury)

Due to the high level of interest, five additional observing coaches were invited to attend and work alongside the team, further supporting their professional growth and learning:

- Darren Binsley (Wellington)
- Faith Dunn (Shrewsbury)
- Erin W (Oswestry)
- Hazel Waterhouse (Wellington)
- Chris L (Telford)

During the day, Sam Neeld delivered a valuable Strength and Conditioning session for the swimmers and followed this with an informative Nutrition talk, helping participants understand the importance of physical preparation and healthy fuelling. Jean Childs attended as Welfare Officer and delivered an engaging and supportive period wear talk for the female swimmers, promoting awareness and confidence in managing sport participation during menstruation.

This year's programme includes two camps:

- Camp 1: Saturday 6th September 2025
- Camp 2: Saturday 7th March 2026

Both camps are being held at Thomas Telford School.

Team Managers for the day: Duggie (Wellington) and Kate H (Northgate)

The opening camp was an excellent success—well-organised, educational, and inspiring for both swimmers and coaches alike. The county looks forward to continuing this positive momentum into the second camp in March.

Note to all coaches: Please continue to encourage your young swimmers to participate in 200m Individual Medley events once they are willing and able. This will ensure they can be considered for the programme when they reach the appropriate age.

County Development Programme 2026

Swim England Talent Team are moving forward with their changes for the Development Programme

The sessions for the forthcoming year will be:

- 1 x face to face session (Sept - Dec) currently booked for September
- 1 x face to face session. (Mar – May)

Commitment to ALL sessions is a requirement and swimmers must be engaged in the whole Programme. The intent is to select from peak performance achieved by the end of the season in August.

The Development Programme looks at swimmers who will be 12 by the end of 2026:

- Technical skills - stroke technique, starts & turns and speed and stamina
- Tactical – race processes
- Physical – Awareness of Pre & Post pool stretching, land training etc...
- Psychological – mental skills & goal processing
- Lifestyle – importance of good nutrition
- Behaviour – Understand OADF – enjoys the journey and is a good learner.

Following on from the County Programme the Region looks at providing a Programme for 13 yr olds following a similar pathway and criteria. It obviously gets a little more difficult to get selected for this Programme.

The Development Programme offers opportunities for Club coaches to get involved as Skills Coaches, though you will need to have a Level 1 qualification to take part and would be working under a Lead Coach responsible for up to 6 swimmers.

You would be involved in the delivery of the Programme and coaching the swimmers at the Face 2 Face camp. Giving you opportunities to work closely with other coaches to share tips and ideas.

Nicola Bainbridge will continue as the lead coach for the Shropshire Development Programme.

Any coach interested in being involved please contact me via email emmascottgemmaill@sky.com

West Midlands Awards

Congratulations to all our nominees, please remember to nominate people from your club for this year's awards.

Young Volunteer of the Year: Madeleine Gemmill

Madeleine gives hours of her time to swimming and is showing other young people that volunteering is a wonderful part of anyone's life. She is passionate about being a swimming official and has reached the level of Starter at the age of 17.

She is a quiet, but resourceful girl, and talks to other young people about giving up some of their time to volunteer. She has taken on the role of one of our regions Youth Ambassadors and is available at many swimming events to spend time with other young people talking about many subjects and trying to inspire others to do what she loves doing.

Madeleine is a credit to the swimming community, and a very good role model for other young people out there who may one day do what Madeleine is now doing. She makes time, outside of her other commitments, to attend swimming events that make it possible for young swimmers to excel at competitions. Without people like Madeleine, we very often find it difficult to get enough people to run events.

Madeleine is a very dedicated young girl who sets a very good standard to all young people out there. She deserves to be recognised for all the time and good she has been doing and will continue to do in the future.

Congratulations Madeleine!

Shropshire Schools Swimming Report 2026

Shropshire Secondary Schools' Championships

The number of schools who entered this year was down again. Twenty-nine schools entered last year but only 20 this year. This resulted in fewer entries. Despite the lower numbers the races were very competitive with some very good swims closely fought.

Unfortunately, there weren't any records broken this year. The Peter Cates shields were awarded to the girl and boy who came closest to beating the existing record.

Peter Cates Best Girl's Performance was won by Emily Gurr from Bridgnorth Endowed and the Boy's Shield by Finn Thompson, Wrekin College. Congratulations to them both.

Shropshire Primary School's Championship

This year we welcomed back Ludlow to the competition but unfortunately, I am still trying to find an area coordinator for North Shropshire East so for the second year the area was not represented.

As usual the competition was fierce with great support and cheering from the spectators and team members. There weren't any records broken but there were some exciting finishes in the races.

Telford area won the trophy for the highest points scored.

Inter Divisional Championships

This was not held this year as the English School Association is reforming the competition. English Schools' Swimming Association is excited to announce a new partnership with Hurstpierpoint College, West Sussex to expand the Schools Swimming Super League across England. By developing new local leagues, we hope to join up with existing school leagues and enable more schools and colleges across the country to have access to this great school swimming opportunity, with the primary focus on maximising participation. Available for both secondary schools and colleges, with potential to add primary and prep schools in future years.

The Schools' Swimming Super League, founded by Hurstpierpoint College, West Sussex allows secondary schools compete locally through a series of rounds before reaching an area final. Hurstpierpoint have led this league for the last two years, which has grown from strength to strength and we are hoping to allow more schools across the county to enjoy the quality of the program and continue to develop school swimming opportunities.

Shropshire ASA County Championships 2026 Programme

The league currently runs across three age groups of Junior, Intermediate and Senior (Open) with both girls and boys. We understand that not all schools hold all these age bands or sexes so allow schools to come together to form a team allowing them to compete together. We aim to consolidate existing local schools' leagues that are compatible to enable a national element to the league.

There are up to four rounds, two of which take place in the autumn term (September - December) the remaining two in the spring term (January - March) and the area final taking place before Easter. This enables all events to take place before exam season. Local schools work together to following a set calendar window for each round who work together to find a suitable date. Area leaders are provided with electronic documents to co-ordinate the local league.

To register your interest in getting involved in your local Schools Swimming Super League please complete the online form available on the English Schools' Swimming Association's website essa-schoolswimming.com

Should you have any questions please e-mail league-essa.uk

We look forward to expanding this wonderful opportunity thanks to Hurstpierpoint College.

Open Water

West Midlands had their Regional Open Water Champs again this year at Cirencester, sharing the event with East Midlands, Southwest and Swim Wales on Sunday 22nd June. It was a lovely day with nearly 400 swimmers taking part. There were several swimmers taking part from Shropshire, and some went on to the nationals that took place at the end of July.

We have not been able to do any form of training in Open Water within the County this year, but for 2026 we are looking to host a tester session indoors, and hopefully a session outdoors for new swimmers wanting to have a go at open water swimming. Once it is confirmed and the date sorted information will go out to the clubs.

A BIG thank you to all the Shropshire volunteers that came to Cirencester to help on the day. Especially my BRILLIANT Clerk of the Course Team, Mandy/Emma/Caitlin/Leanne/Chloe/Katie, and Maria for coming to do the results.

Masters Swimming in Shropshire

Our only event for Shropshire Masters is the Swim England Inter-Counties Masters Championships which took place at Moorways LC, Derby this year. We had a very good team with several swimmers finishing first. We put up a good fight but some of the Counties were very strong, and Shropshire finished a credible eighth place.

Congratulations to all who took part and thank you for giving up your time to swim for Shropshire. Also, thanks to all the Shropshire Officials/volunteers who turned out to help on the day. Thanks to Will Slawson and Sonja Ledger for organising the team, they looked great in their special bucket hats.

The event in 2026 will have a different date to normal, due to the conflict with Winter SC Champs. The date will be Sunday 15th November 2026 and will take place at Sandwell Aquatics Centre. Hopefully we will have more swimmers available to swim as it will not be on Remembrance Sunday

Disability Swimming in Shropshire

We do not have many Para swimmers in Shropshire, but we do encourage them to take part. We had some attend the County champs at the beginning of the year.

There have been several events for Para swimmers to take part.

British Championships in London in April – Akaash Das attended.

National Junior Para Champs in Coventry – Akaash Das attended

British Summer Championships in Sheffield – Akaash Das attended

Swim England Summer Championships in Sheffield – Akaash Das attended

WMR Winter Championships in Sandwell – Akaash Das attended and broke the British Para Record in the 50 Backstroke. Congratulations to Akaash.

Even though we do not have many Para swimmers, it is good that clubs are becoming all inclusive, and we want Clubs to continue to support and recruit Para swimmers within their clubs.

Shropshire ASA County Championships 2026 Programme

National Inter County Team Championship 2025

On Sunday 5th October 2025, the Shropshire County Team headed to Ponds Forge, Sheffield, for the annual National Team Championships. Shropshire selected a team of 26 swimmers to compete, though unfortunately, one swimmer was lost to illness on the morning of the event, meaning the 12/13 Open Male relay team could not contribute to the overall points total.

The day began with an early 6:15 a.m. departure from Ellesmere, with pick-ups in Shrewsbury and Telford to gather the full team by 7:30 a.m. The team arrived in Sheffield at 9:40 a.m., just in time for the official poolside briefing.

Swimmers proudly represented the county, wearing their Shropshire hats, t-shirts, and bucket hats, creating a strong sense of unity and pride. From the moment they entered the venue, there was an incredible buzz—music, cheering, and team chants filled the arena. The energy from all counties created a fantastic competitive atmosphere that brought out the best in the swimmers. Shropshire's team base on poolside was alive with colour, noise, and encouragement, with swimmers constantly supporting one another between races. It was especially pleasing to see newer team members mixing confidently with experienced competitors, forming strong friendships and showing real team spirit. The sense of belonging and collective purpose was evident throughout the day, contributing to some truly inspired performances.

Throughout the day, the swimmers bonded exceptionally well, creating a fantastic and supportive team environment. The poolside atmosphere was loud, energetic, and full of county pride, with every swimmer celebrated for their effort and commitment.

Swims of Note

- Joanne A delivered an impressive performance in the 100m Butterfly, finishing 1st in the Division 2 gala.

Overall, it was a very successful and enjoyable event for Shropshire. The team showed great camaraderie, resilience, and enthusiasm, representing the county with pride and passion. Well done to all involved!

Whitchurch Wasps Swimming Club Return

Whitchurch Wasps Swimming Club was a long standing and successful Shropshire swimming club, with swimmers who competed at County, Regional and National level and in recent years had swimmers who also went on to represent GB at Modern Pentathlon.

Unfortunately, the pool was unable to reopen following covid due to the building being unsafe, which meant the club had to cease operations until a new pool was built. Fast forward to 2025, the fantastic new facility opened in March which mean the club could look to start to reform.

Former club committee members returned to work hard behind the scenes to get the club ready to get back in the water and following three successful taster session in September, the club returned to the water at the end of October. Over the past months the club has continued to operate and averaging around 25 swimmers a session. We have welcomed some new faces to poolside alongside some of the returning coaches and will hope to grow our coaching and our committee to support the club.

Hopefully 2026 will be an exciting year for the club as we will start to look for some competitive opportunities for the swimmers, and we hope to have some swimmers at the Shropshire County Championships 2027.

Thank you to the committee who have got the club back in the water, in particular Andy Fox!

Good luck to all the swimmers at the County Championships this year!
